For Top Gymnasts**

product info sheet

Foam Pegases

Ref. 1407160

Foam vaulting table with the upper part in the shape of the original Pegases and with the same hygroscopic fabric as the original Pegases. This foam version is intended for use at lower level training. The table can be divided in three parts. The Pegases shaped part has a height of 50 cm and velcro to stick it to any floor mat. The bases with a height of 25 respectively 50 cm have velcro to stick it to a floor mat as well and can be used to elevate the foam vaulting table to 125 cm.

3 sections 125 cm

2 sections 75 cm

Related items

PegasesClub & Competition Ref. 1407170& 1407100

The vaulting table in original FIG certified competition version or the Club version with wider height adjustment range and easier transport in and out of the training area.

Trampoline board Ref. 1411325

A hybrid between a mini trampoline and a spring board. Helps gymnasts up to 60 Kg learning to vault. Surface and angle of a springboard. Impact and rebound of a mini trampoline.
